

LAZY KETTLE BRAND LIQUID SMOKE

Why Lazy Kettle Brand?

- * NO Added Salt
- * NO Added sugar
- * NO Caramel colouring
- * NO Flavour enhancer's

With Lazy Kettle what you are tasting is simply natural smoke Hickory smoke, captured and lightly refined and not built up with additives and lovingly produced in small batches.

Lazy Kettle is closer to what you would experience standing next to a real smoker, clean, aromatic, layered and honest.

Mainstream Liquid smokes (Like Stubbs) are formulated products with additives like Sugar , Salt and Caramel colouring to standardize flavour and shelf presentation made for mass market consistency.

For Chefs and serious cooks that want a true 100% natural smoke essence, it can only be Lazy Kettle, It's a game changer.

Available in retail and foodservice packaging.
